

Electrochemistry of Batteries and Energy Storage Technologies

ElectROBatt 2024

Conference

ELECTROBATT

October 31st to November 1st 2024

Radisson Blu Hotel Bucharest

Romania

We look forward to welcoming you to **ElectROBatt 2024** to an enriching and inspiring exchange of ideas and knowledge!

Mark your calendars!

Prof. Julia Amici

Dr. Simon Clark

Prof. Mircea Dincă

Prof. Robert Dominko

Dr. Johan Blondelle
European Commission,
DG Research & Innovation

Mr. Wouter IJzermans
Executive Director for BEPA

Prof. Alejandro A. Franco

Dr. Camélia Matei Chimbeu

Prof. Patrik Johansson

Prof. Philippe Poizot

Prof. Adrian CURAJ (Director of the Executive Agency for Higher Education, Research, Development and Innovation Funding (UEFISCDI))

Dr. Sebastian-Ioan BURDUJA (Minister of Energy in the Romanian Government)

Dr. Alexandre Ponrouch

Dr. Rosalba A. Rincón

Prof. Magda Titirici

Prof. Aishui Yu

Prof. Tudor Prisecaru - State Secretary, Ministry of Research, Innovation and Digitalization

Dr. Mihai VARLAM (Managing director of the National Research and Development Institute for Cryogenic and Isotopic Technologies)

<https://electrobatt.eu>

Conference Chair

- Prof. Alexandru Vlad

Organizing Committee

- Dr. Mihaela Buga
- Dr. Adnana Spinu-Zaulet
- PhD Student Robert Markowski
- PhD Student Alexandru Rizoiu
- Dr. Roxana Ionete
- Dr. Mihai Varlam

International Advisory Board Members

- Prof. Mircea Dincă (MIT, USA)
- Prof. Stefano Passerini (KIT, Germany)
- Prof. Philippe Poizot (Université de Nantes, France)
- Dr. Rosalba A. Rincón (Batteries & Supercaps, Wiley VCH)
- Prof. Magdalena Titirici (Imperial College London, UK)
- Prof. Aishui Yu (Fudan University, China)

Selected papers of the conference will be published in a special issue of *Batteries & Supercaps*, a ChemPubSoc Europe Journal (published by Wiley VCH). Graduate Student Poster and Oral Presentation Awards.
